

Our Endowment Challenge

We are on our way to accomplishing our five-year goal.

We have raised \$94,500 which has been matched by the state by \$188,500. This gives us a total of \$283,000 that has already been secured for the future of our libraries. We also received another incentive this last year of \$100,000 from the State of Wyoming.

With your help...

We will raise \$53,000 more in additional funds for a total endowment of \$543,500.
